

## WHAT IS CHS?

The Coastal Heritage Society is a 501 (c) 3 non profit organization that was established in 1975. Our mission is to preserve the cultural heritage of coastal Georgia and adjacent regions and to provide relevant educational experiences for the public.

We care for two National Historic Landmarks, Old Fort Jackson, and the Central of Georgia Railroad Shops and Terminal (the Roundhouse Railroad Museum is comprised of the Railroad Shops, and the Savannah History Museum is located within the Terminal).

Your membership with the Coastal Heritage Society helps support our educational programs, our preservation efforts, museum and site operations, and so much more. Join today!

## WHY JOIN US?

All levels of membership include free general admission to our sites, and higher levels include general admission guest passes for your friends and family.

We host many educational events throughout the year, as well as programs for children.

In addition to lectures, we have major events such as the Fort Auction and Low Country Boil.

Our members, who join at the Patron level or higher, can also enjoy Cultured Coast events. Cultured Coast continues our educational mission in a unique way with past events like sailing lessons, cooking classes, and a tasting series that introduces attendees to the traditional food and drink of the nations who participated in the Revolutionary War Battle of Savannah.

Our children's programs include Family Happenings, Story Time, and summer camps. Also the Roundhouse's Kids' Car has activities for children. There's always something going on for the family!
